

Homeless Veterans Fellowship

Vision

Our vision is a community that is responsive to the needs of Veterans and their families.

Mission

Our mission is to provide a stabilized living environment, counseling services, and additional programs that will enable homeless veterans and veterans at risk of being homeless to return to self-sufficiency.

Values

Our work will be guided by our commitment to:

Quality: we strive for excellence in all aspects of providing care for Veterans and their families

Inclusiveness: we value and respect all persons and will provide services to all eligible veterans and their families regardless of personal circumstances, race, ethnicity, gender, religious preference, age, sexual preference, or disability.

Participation: we value the work of all community partners in the quest to end Veteran homelessness in our communities. We will strive for professional and engaged relationships with our community partners and work together as a community to achieve this goal.
